LIFE INSURANCE SINCE 1939

Select Choice® Annuity

There is a savings vehicle that offers a competitive tax-deferred return on your money without sacrificing flexibility. It's called Select Choice Annuity from SBLI USA.

Competitive Interest Rates

Select Choice Annuity offers competitive interest rates, with an initial guarantee of 3, 5 or 7 years. After the initial guarantee period, you will be offered a competitive renewal rate which can never be less than 1%. The initial rate will be based on the product option(s) selected and guarantee period chosen.

Tax-Deferred Savings

Under current federal tax law, you pay no taxes on your earnings until you draw on your annuity,* which can help your money grow faster than a taxable account.

Flexible Income Options

Upon maturity of your Select Choice Annuity, you can choose to receive income payments. Multiple payment options exist - please check the contract for details.

Who Can Apply?

Select Choice is available to individuals up to age 85. This single premium annuity has a minimum premium of \$5,000. The maximum premium allowed without prior company approval is \$1,000,000.

Product Options

If you desire, you can add one or both of the following options:

- **Penalty Free Withdrawal (PFW) Feature**- after the first policy year, the first withdrawal in any contract year is penalty free (no withdrawal charge or MVA) up to 10% of your contract value**
- **Guaranteed Return of Premium (ROP) Feature**- you will receive at least your full initial investment, less any previous withdrawals and premium taxes, should you surrender your policy

Avoid Probate

Should you die before receiving annuity payments, your named beneficiaries will receive the full contract value, with no withdrawal charges or MVA, and typically none of the delay and expense associated with probate.

Access to Your Money

You have access to all or part of your accumulated contract value at any time. Unless taken in the last 30 days of a guarantee period or waived, withdrawals are subject to withdrawal charges and a market value adjustment(MVA).***

	Withdrawal Charge Schedule						
	Policy Year						
Initial Guarantee Period	1	2	3	4	5	6	7
7 Year Plan	7%	6%	5%	4%	3%	2%	1%
5 Year Plan	7%	6%	5%	4%	3%		
3 Year Plan	7%	6%	5%				
Subsequent Guarantee Period(s)	1	2	3	4	5		
All Plans	5%	4%	3%	2%	1%		

* Exceptions may apply if owner is a non-natural person. Early withdrawals may be subject to regular income tax and, if taken before age 59 1/2, may be subject to a 10% IRS penalty. Any discussion of taxes is for general information only based on our understanding and interpretation of current tax laws. Please consult your legal or tax advisor as appropriate.

** Waiver of withdrawal charges is available for certain other circumstances. Ask your agent for details.

*** Partial withdrawals are subject to minimums and maximums stated in the contract. Except as otherwise stated in the contract, if part or all of the contract value is withdrawn, a withdrawal charge will be deducted and a market value adjustment (MVA) applied. The MVA can be negative or positive. If negative, it will decrease the payment. If positive, it will increase the payment. The formula for calculating the MVA is described in the contract.
